DSC Hand-on Workshop
on
"Google Cloud Platform"

On 26th September 2019 ACE, the technical society of Vivekananda School of Information Technology, VIPS and Google Developer Student Club (DSC) a technical community that combines all the university students, to learn, share ideas and come up with viable projects that are likely to solve day to day universe problem organized Cloud Fest. A hands-on workshop on the "Google Cloud Platform" was organized for the members. It was an informative workshop as the attendees were introduced with Qwiklabs, a platform that provides real cloud environments that help developers and IT professionals learn cloud platforms and software, such as Google Cloud Platform and Amazon Web Services. The workshop commenced with Mr Dhirender Kumar Choudhary and Mr Prateek Batra, members of ACE, explaining the attendees about the aim and purpose of workshop along with providing a brief description of Qwiklabs. Further, the attendees practised the working of two labs namely 'A tour of Qwiklabs and the Google Cloud Platform' and 'Creating a Virtual Machine' on their respective computer systems by following the instructions of Mr Dhirender and Mr Prateek.

This was followed by a small interaction of ACE members with Mr SirjitMadhavan, former president of ACE now working as Frontend Developer (UX-UI Focused) at Novuse Internet Pvt Ltd,Delhi and Mr Sameer Kumar, Former council and Core member of ACE working as Software Engineer, Supply.Ai, Gurgaon encouraged the new members into developing their skills and innovating new ideas. They also shared their own experience which was really helpful and informative for all the attendees. It was also a matter of pride and happiness as hard work and dedication of few ACE members was recognized by giving them a well-deserved promotion in the society. Ms Akshita Jain and Mr Lakshay Kapoor were promoted as the core members of the society while Mr Anmol Jain, Mr Dhirender Kumar Choudhary,
