### Workshop on Graphical Designing

Mr Anmol Jain addressing the audience

On the 26<sup>th</sup> August 2019, ACE, the technical Society of VSIT, VIPS hosted a workshop for Graphics Designing Enthusiasts. The workshop was conducted by Mr Anmol Jain, a self-taught Graphic Designer. The workshop was attended by more than 70 students. The session was very engaging as the students were getting theoretical as well as practical intel from the instructor. A presentation of multiple slides was used to demonstrate the students about the various aspects of Graphic Designing. Some of the primary topics were the Difference between Vector and Raster Images, and fields in designing. Mr Anmol Jain also notified the students about the software that can be used to practice the art of designing. The students were also provided with knowledge of the sources that can help them in going from zero to hero in the field. He also shared his experience in the field of designing as a freelancer. At last, the attendees were allowed to ask any queries regarding the workshop. There was an
