ACE- Technical Society Orientation Day

Prof. Supriya Madan addressing the freshers

Mr Prateek Batra, Lead, DSC

On 26th August 2019, Vivekananda School of Information Technology organized orientation day of ACE, the Technical Society of VSIT, VIPS. The orientation programme was attended by more than 150 students. The freshers were made familiar with the functioning of ACE society and were told about the workshops organized by society, to enhance the skills of the members in order to make them industry-ready. The old members showcased their project and discussed the agenda of the forthcoming year. The procedure of getting selected in ACE was explained to them. The selection procedure includes three stages: Registrations, Task completion, and Interview. They were also told about various techno-cultural activities organized by society throughout the year. The freshers were also introduced to Mentors of the Society, Prof. Supriya Madan, Dean of VSIT, Prof. Deepali Kamthania, Prof. Brajesh Kochhar, Dr Neha Verma, Ms Indu Sahu and Ms Alpna Sharma. The orientation day proved to be an exciting experience for participants and organizers.
