### **TeLMISR – 2015**

### **"Information Security Risks – Techno Legal Management"**

Vivekananda School of Information Technology, Vivekananda Institute of Professional Studies, New Delhi, in collaboration with Computer Society of India (CSI), Delhi Section, Institution of Engineering and Technology (IET), Delhi Centre and International Journal of Electrical, Electronics & Computer Science Engineering (IJECCSE) organized a National Conference on "Information Security Risks – Techno Legal Management TeLMISR" on 09th February 2015 followed by Students' Convention; VConnect – 2015 on 13th -14th February 2015.

The mega event was bestowed with the presence of highly eminent speakers, professionals, technocrats, dignitaries, senior delegates from different wings of the IT industry and government organizations. The ulterior motive of this annual event is to provide a platform for researchers and IT professionals from all over the country to showcase their ingenious ideas and concepts related to information security and its legal aspects that could be implemented for benefit of the society. The delegates from different academic institutes, industries, Government Organizations, Research Laboratories in addition to over invited speakers, session chairmen and around 200 students participated in the conference.

TeLMISR– 2015 received over 50 papers from all across the country. After a series of tenacious review processes, 22 papers were selected for acceptance for presentation in TeLMISR– 2015 under various groups during the one day in a technical session. Out of these 22 papers, a set of 18 papers were further recommended for publication in the hard copy of the Post-Conference Proceeding having both ISSN and ISBN serials. These papers will also be published in the International Journal of Electrical, Electronics & Computer Science Engineering (IJECCSE), an open-access peer-reviewed bi-monthly journal. The selected papers after revision will be considered for publication in Vivekananda Journal of Research (VJR). These papers exemplified a wide variety of research topics in all emerging arenas besides accustomed and core ciphering areas.

The inaugural session commenced with the lighting of the lamp, followed by a classical dance performance on Saraswati Vandana by Ms. Prachi Sharma, a student of MCA IV semester, VSIT.

The introductory address of the conference was given by Dr. Supriya Madan, Director, VSIT, VIPS, Delhi. Prof. Dr. V.B. Coutinho, Principal Advisor, VIPS, Delhi gave the welcome address and released the VConnect'15 Musical Track.

Prof. Yogesh Singh, Director, NSIT, Delhi was the Honorable Chief Guest of the event. In his Inaugural Address, he highlighted the role of Information Security in technology

development. He discussed the predominant developmental dimensions in the country and consecutively sectors of the society impacted by the same. He mentioned that national events like TeLMISR will certainly prove to be a constructive platform to channelize and synergize the available potentials and the efforts of researchers towards holistic growth. He convened India's need of the hour to have its own 'Brand Equity' with intellectual capital resource impelling the transformation from a 'Service Provider' to 'IT Premier' nation. He enunciated the need for mellowing highly optimized and sustainable technology systems utilizing local expertise and diversity. He reiterated the substantial requisition of 'India Centric' technology that can finely access the ingenious abilities of today's edifying era.

The session was presided by Prof. M.N. Hoda, Director, Chairman, CSI Delhi Chapter and Director, BVICAM, New Delhi. He congratulated the VIPS family for the collaboration with prestigious technical societies like CSI, IET and IJEECSE and emphasized that such collaboration gave strength to the event. He also mentioned that the name of the National conference TeLMISR and Students' convention VConnect brings together the different courses running under one umbrella of VIPS. He redefined the imprecise concept of development and gave it a new meaning spanning all across society.

Mr. V.K. Gupta, Chairman IET Delhi Network spoke about collaborating education with professional society and nurturing the country as a whole.

Brig. Dr. P.K. Saxena, Registrar, VIPS, Delhi shared his army experiences with the crowd.

Mr. Pawan Duggal, Advocate, Cyber Law Expert gave the keynote address. He focused on the different aspects of Cybersecurity an impending arena to divulge attention, for the nation to evolve without privacy encroachment.

**Prof. Marian Pinheiro**, Principal Director, VIPS, Delhi presented the vote of thanks.

The one day conference had two sessions. The forenoon technical sessions of paper presentations covered various aspects of information security and their implementation to catalyze the overall growth and development process. It was chaired by Dr. Anurag Jain, Asst. Prof. & Addl. Coordinator (Weekend Program), USICT, GGSIPU, Delhi. The conference stimulated discussions about issues related to information security risk.

A Valedictory Session was rendered to mark the end of the one-day long conference. VIPS family played the perfect host to conduct the TeLMISR-2015 extremely immaculately and hence it proved to be an exhilarating experience for all those attending the event and a rather gratifying one for those who organized it.
