Webinar **on** **Riding The Rainbow:** *Breaking Into Cybersecurity and scaffolding the industry-academia gap.*

Vivekananda School of Information Technology organized an event on “Riding the Rainbow: Breaking into Cybersecurity and scaffolding the industry-academia Gap” on 26-02-2022 at 10:30 AM.

The increase in the use of Internet-based computing and connectivity has led to an increase in the number of cyber-attacks. Hence, Cybersecurity is the need of the hour and is a growing field for students. Therefore, this event was organized to help students follow the right path to enter the world of Cybersecurity. The event was addressed by **Ms. Bishakha Jain**, who is a Director at Cybersecurity Global Alliance. She explained what is Cybersecurity and the various job roles one can have in this field. Moreover, she answered various questions asked by the students wanting to enter this field and cleared various myths related to Cybersecurity.

It was an interactive session where students asked questions and all the queries were well answered by the speaker. The event helped students get a clear idea about the diverse range of applications to plunge into a career in Cybersecurity. The webinar was attended by approximately 85 students.

Towards the end of the event, faculty coordinator **Ms. Kanta Malik** showed gratitude to the guest speaker. Altogether, the event received positive feedback from the students.
