Vivekananda School of Information Technology

Webinar on INTELLECTUAL PROPERTY AWARENESS.

Vivekananda School of Information Technology organized a webinar on “INTELLECTUAL PROPERTY AWARENESS” on 05-03- 2022 at 11:00 AM on MS Teams under the supervision of faculty coordinator **Ms. Kanta Malik**.

The motive of this webinar was to make students aware of how to file patents and how to claim their copyright. The webinar was addressed by **Dr. Suman Madan**, Associate Professor at JIMS. She has done a Ph.D. in Big Data Privacy and also has 2 Indian patents and 1 Australian patent on her name. She started by familiarizing all with the subject and then gradually moved towards different types of intellectual property rights available and why property rights are important in the IT field.

The speaker encouraged a two-way interaction during the event. Attendees asked their doubts regarding the matter and all the queries were answered elaborately. Towards the end of the session, the speaker was acknowledged for giving her valuable time and an E-certificate was presented to her as a symbol of appreciation for the immense knowledge and experience she shared with the attendees. The event was attended by approximately 103 students and faculty members. Altogether, the event received constructive feedback from the students.
