# **Webinar on DATA ANALYTICS ACROSS DIFFERENT SECTORS**

Vivekananda Institute of Information Technology organized a Webinar on “Data Analytics Across Different Sectors” on 5th February 2022

The session was addressed by **Mr. Abhinav Srivastav** who is a Research Associate at Grameen Foundation and an expert in Data Analytics. The event was attended by 170 students and faculty members. The objective was to motivate and explain to the students how Data analytics is important to every sector and the basics of Data Analytics like how can we start a career as a Data analyst.

Speaker started the webinar with the basics of data analytics, asking some questions regarding Data, Types of analysis. After that, he discussed the roadmap for Data analytics and the tools, and languages required.

There was a Q&A section too in which students asked some doubts related to Data Analytics like what are the languages required for data analysis, how to handle unbalanced datasets and which tool is popular for data visualization etc.

Towards the end of the event, our faculty coordinator **Ms. Kanta Malik** showed gratitude to the guest speaker and student coordinators to make the event prosperous. Altogether, the event received positive feedback from the attendees.
