### **FUSION INDUCTION DAY**

FUSION, the cultural society of VSIT, is an amalgamation of five creative societies – Dhwanit (Music society), Dazzle (Dance society), Alankrit (Art and Craft society), Tamaasha (Theatre society) and Frames (Photography society). FUSION is represented by the diverse skills and talents possessed by its student members. Thus, it provides the platform for a fresh batch of students every year in the department to display and discover their abilities and interests.

To familiarise the new batch of BCA (2021-24) and MCA (2021-23) with the cultural enrichment of the department, FUSION organised its induction day on 30th December 2021 at 1:30 pm on the Microsoft Teams platform. Their respective presidents and other members had introduced all the societies. The societies encouraged the new students to participate in their respective auditions by releasing their posters and google forms. The society members explained the rules and regulations of the audition process, announced the last dates of their auditions, asked the students to follow their Instagram handles for the regular updates and resolved queries and doubts of the students.
