Induction Day Program 2022

On 18th October 2022, Induction Day Program was organized by the academics committee of the VSIT department, VIPS, to introduce the new entrants of IT students with VIPS as a whole and the VSIT department.

The program started with a welcome address by Prof. Dr Deepali Mam, in which she welcomed the new batch warmly and described the code of conduct of the college. After her address, Dr Ashwini Kumar, Director General of VIPS addressed the students. He motivated the students to achieve greater heights in life and shared experiences of his college days. He gave the mantra of enjoying college life at its fullest without hampering the studies.

After this, students were shown a detailed PPT about VIPS and VSIT including the central societies of VIPS like Aflatoon and 3.14 for theatre and dance and many more! Then the PPT unfolded VSIT as a department, after the introduction of the faculty members of VSIT, several departmental societies were introduced. An important part of the PPT described the gold medalists and exemplary performances of the students of the IT Department. Another important aspect covered in the PPT was how to go about MOOC and NPTEL courses and threw light upon how the students can go for BCA honors and BCA with minor specialization degrees and what are the prerequisites for both. It also gave the idea about Institutional Innovation Council, NSS VIPS, Skill Enhancement Courses and Placements.

The program ended with a vote of thanks and an open session of queries from the students. The performances by the students of cultural society made the atmosphere of the whole program jolly and fun-loving.

All the first-year students of IT attended this event!
